

## **BLANCHARD ALUMNI ASSOCIATION HONOR/ MEMORIAL BRICKS**

If you have not yet purchased a memorial brick to be placed on the Betty Binyon Lewis Alumni Building exterior wall to honor or memorialize your family member, classmate, friend, etc., this is your opportunity.

At \$40 per brick, it's cheaper than flowers, and it lasts much longer. It's a wonderful tribute for a family member to know their loved one is recognized in stone at the alumni building of their school. We welcome the tradition of each graduating class purchasing a brick to honor their class prior to graduation. How about it Class of 2018 and Sponsors? Want to be the first and the ones to begin this tradition?

Contact Tamara (Hackney) Kuykendall, BAA Events Coordinator, at 405-227-6123 to order your brick and help YOUR alumni association.
